Purvarang Digital System

Website, table ordering, kitchen screen aur waiting board, sab ek hi system me

Purvarang Family Restaurant, Tinpulwa Chowk, Lalganj

Pehle aur ab ka farak

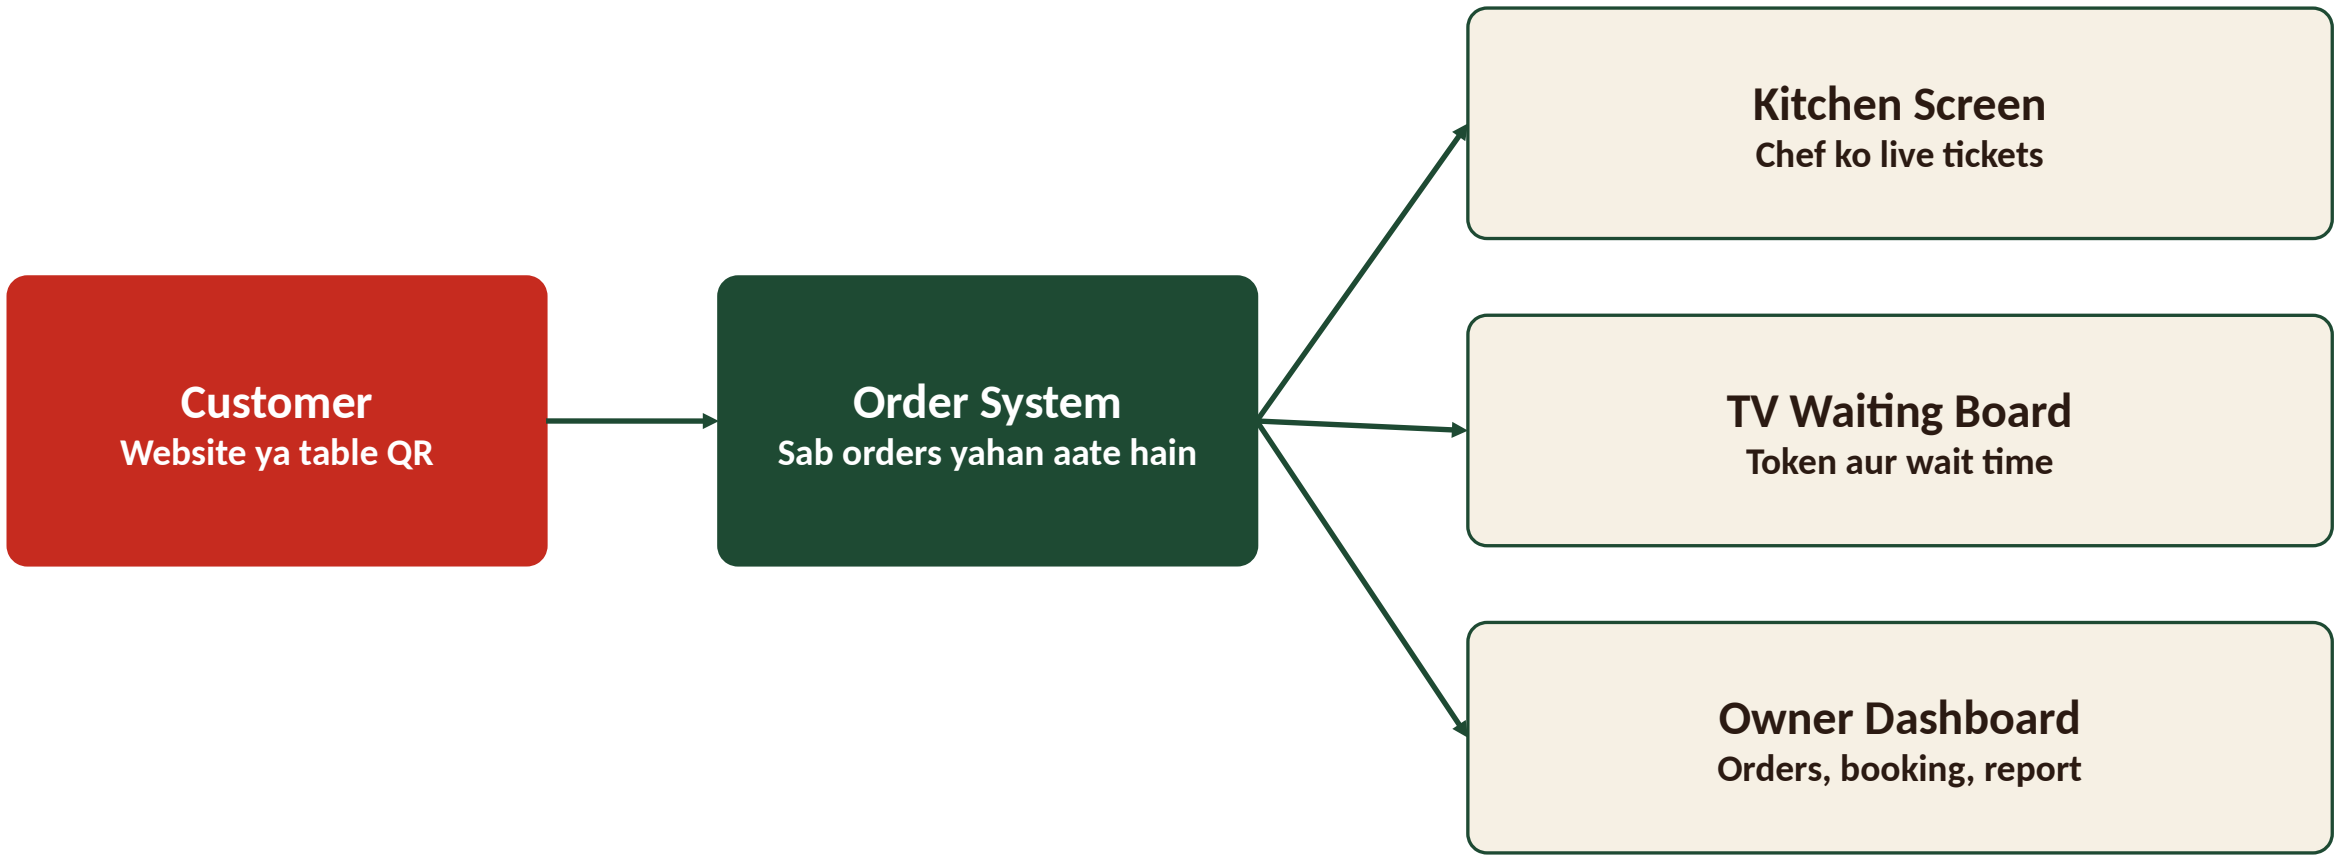

Aam taur par restaurant me

- Waiter ko bulana padta hai
- Order parchi par likha jata hai
- Chef ko awaaz ya parchi se pata chalta hai
- Customer ko nahi pata khana kab aayega
- Bheed me galti ya bhool ho jati hai

Purvarang digital system me

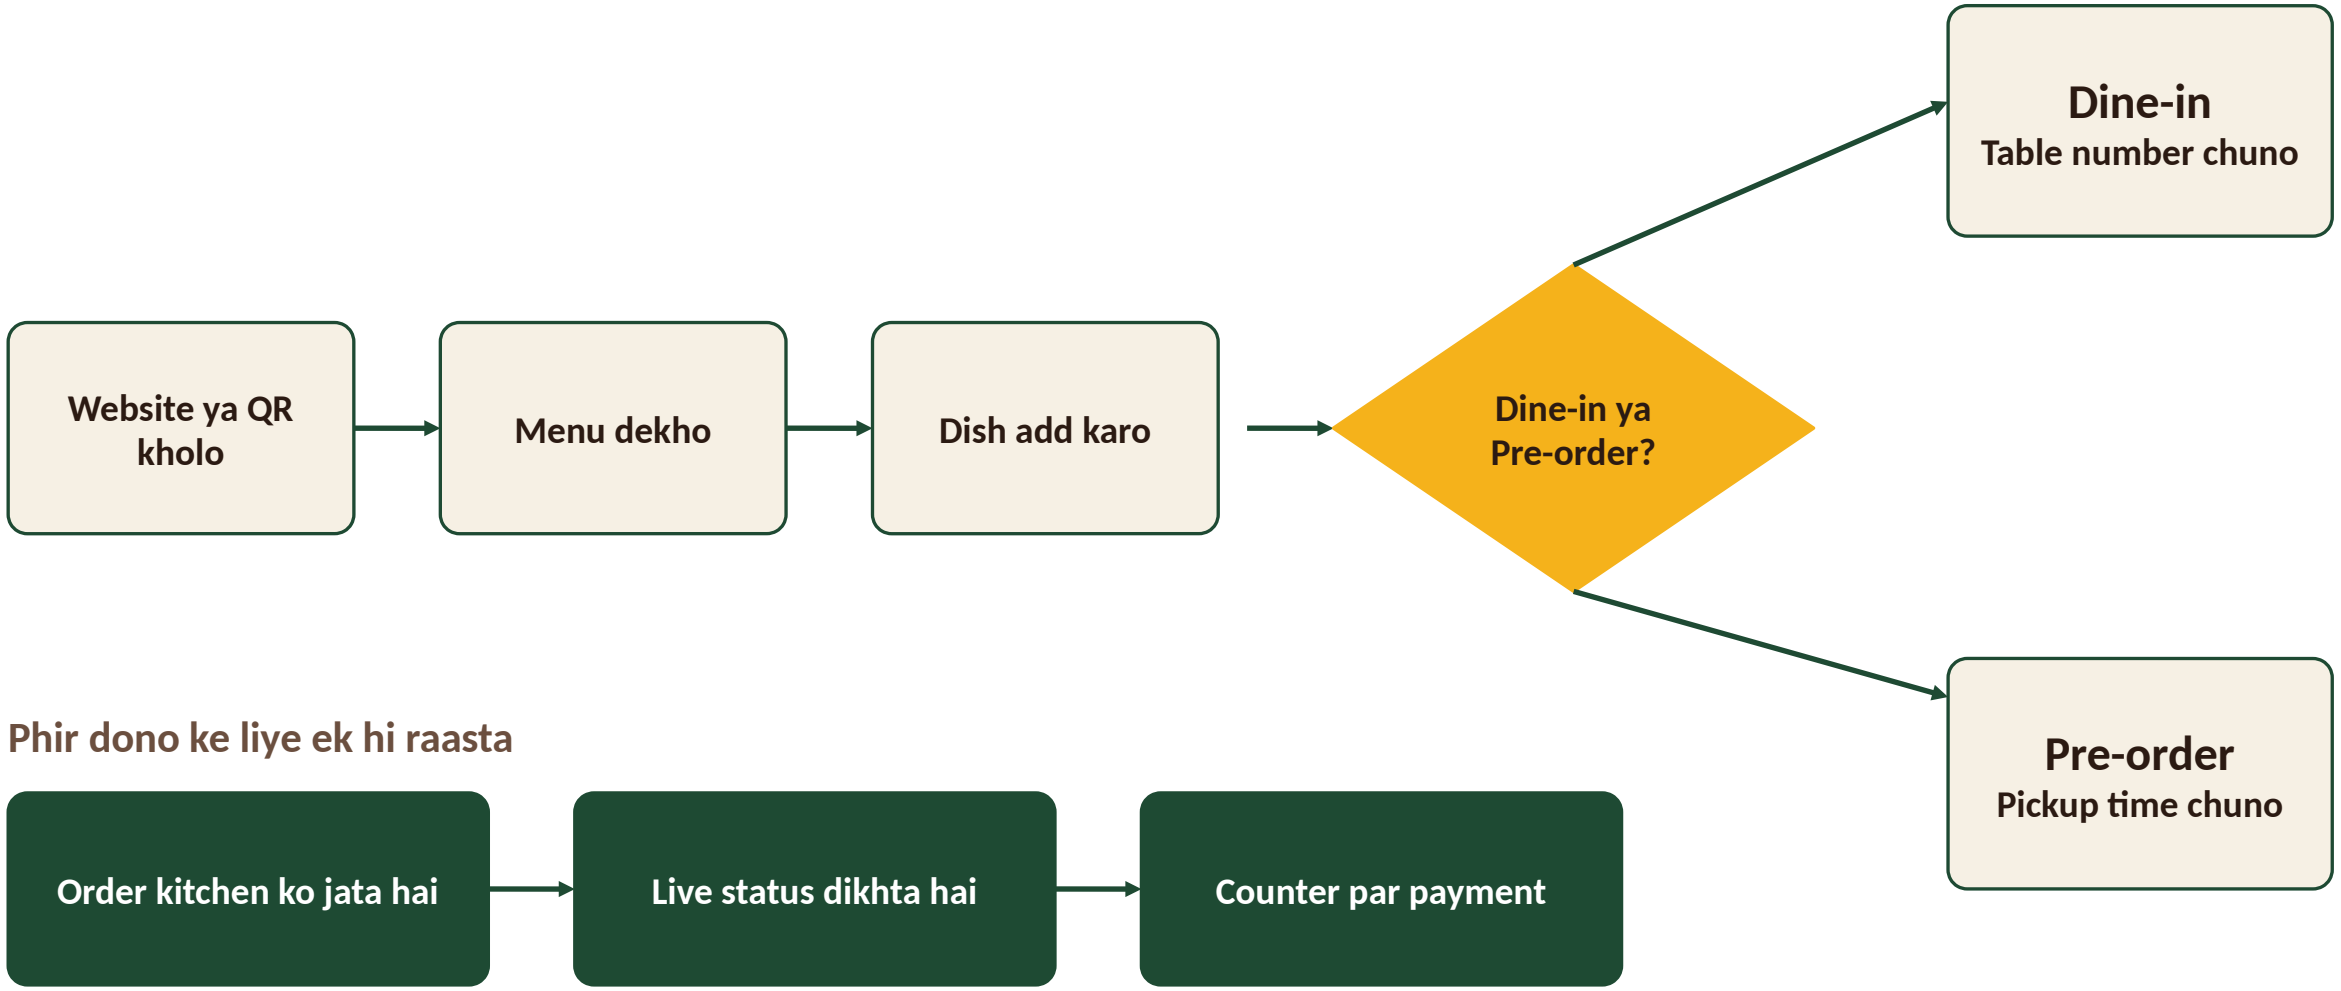

- Table par QR scan, order seedha phone se
- Order turant chef ki screen par
- TV par token aur wait time dikhta hai
- Customer phone par live status dekhta hai
- Owner ko live orders aur bikri ki report

Poora system ek nazar me

Waiter screen aur billing bhi isi system se jude hain

Customer ka safar, step by step

Phir dono ke liye ek hi raasta

Order kitchen ko jata hai → Live status dikhta hai → Counter par payment

Table par QR se order

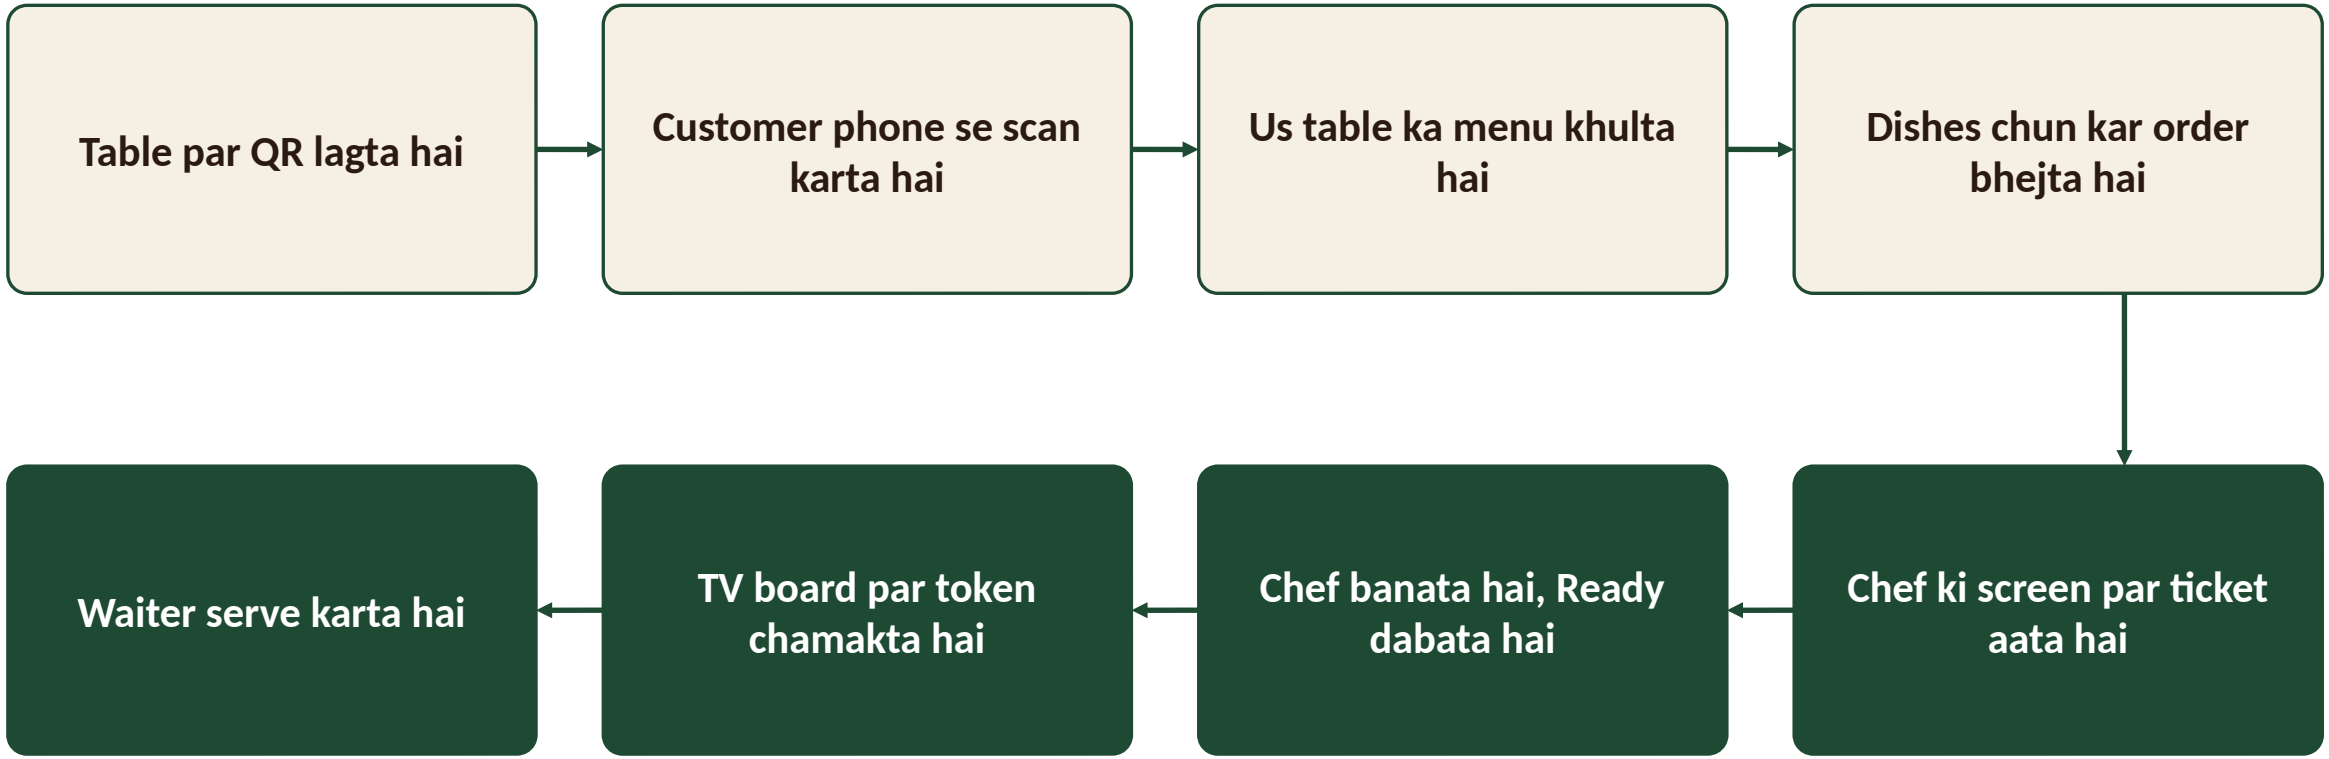

Table par baithe hi customer waiter bulao, paani ya bill ka button bhi daba sakta hai

Chef ki kitchen screen

NEW	COOKING	READY

Timer ka rang

10 min se kam	10 se 20 min	20 min se zyada

Chef ke liye

- Naya order aate hi beep aur highlight
- Har ticket par table number aur timer
- Dish khatam? Out-of-stock dabao, menu se hat jayegi
- Station filter: Tandoor, Chinese, Gravy, Drinks
- KOT print ka button

TV waiting board aur live status

Customer ke phone par bhi

1 Received | Order mil gaya

2 Cooking | Chef bana raha hai

3 Ready | Aapka order taiyaar hai

4 Served | Enjoy your meal

Ready hote hi token chamakta hai, awaaz lagane ki zaroorat nahi
